CHARACTERISTICS:

“ VODKA IS VODKA.
—
UNLESS IT'S OURS.”

Our vodka is a full-bodied and full-of-flavor—proof that careful distillation and respectful treatment results in a more authentic taste. We put everything into getting this one just right, starting with the grain we source from a farmer we know by name.

Not long after, it was milled and filtered—on-site and a window away from the people we serve at our distillery. The result is a robust mouth feel and a burst of unexpected flavors—one that mixes well in your favorite cocktail or stands well on its own.

PROCESS AND TECHNIQUES:

- Milled from whole grain and fermented on-site
- Stripping distillation on our 500 Gallon Vendome Still
- Finishing distillation on our 18 Plate Mueller Finishing Still
- Non-chill filtered
- Not treated with any carbon or charcoal filtration techniques

AWARDS AND RECOGNITION:

- Gold Medal, “Exceptional”, Beverage Testing Institute, 2016
- “Michigan Vodka Distillery of the Year”, New York International Spirits Competition, 2016
- Gold Medal, SIP Awards International Consumer Tasting, 2016
